CHEAPNESS THE RULE. The rule of cheapness holds good in a law: article of food bought for the rew. If beef ten years old is cheaper than another kind equally vile in ap-pearance and odor, it will be selected; for there is no provision for official inspection of stores under the laws, new or old. The cheapest and dirtiest aweepings of the mill, labeled flour, will an-

the molasses is the last dregs of the

There are ports in the world where hicken is cheaper than sait meat; End in these ports the captain never hesitates to lay in as many fowls as will remain alive until killing time, and at the next port invariably has a yarn to tell of the total depravity of sailors, which, though he may not be aware of it, has been told and retold for generations. Yet he keeps on telling it, and when he hears it from the lips of other skippers, either rejoices at the corroboration or resents the plagiarism, according to his mood. The yarn, heard the other day for the twentieth time, and beign deep water craft the cook, given with the variations of the last
